-All-inclusive pricing always **excludes** bloodwork, CSF tap, surgery and other therapeutics or prescribed medications.

Our team at Southern New Hampshire Veterinary Referral is excited to announce this new pricing structure for MRI services. These prices have been formulated to better serve your clients with one price MRIs. The All-Inclusive, One-Price MRIs will better communicate cost to the client versus providing estimates. The new pricing structure also creates more affordable package pricing for clients and makes referrals to our Specialists in Oncology, Ophthalmology, Neurology, Surgery, Internal Medicine, and Cardiology simple for veterinarians.
